Alati SMART4ALL?

<https://marketplace.smart4all-project.eu/>

The screenshot displays the homepage of the SMART4ALL Marketplace. At the top left is the SMART4ALL logo, followed by the word "Marketplace" and navigation links for "Repository", "Matchmaking", "Network", "Events", and "Innovation Space". On the top right are links for "Contribute" and "Login". The main banner features a photograph of hands forming a circle over a desk with a notebook and a smartphone. The text on the banner reads "Matchmaking Services" and "Artificial Intelligence mobilized to accelerate your business". Below the banner are three statistics: "95 Artefacts and keep increasing...", "928 Network Members and keep joining...", and "Funding opportunities to accelerate your business...". At the bottom, a grey bar contains the text "One Stop Smart Shop" and a Windows activation watermark.

FAQs na više jezika

https://faq.smart4all-project.eu/index.php/Main_Page

The screenshot shows the 'Main Page' of the SMART4ALL FAQ. It features a navigation menu on the left with links for 'Main page', 'Recent changes', 'Tools', 'What links here', 'Related changes', 'Special pages', 'Printable version', 'Permanent link', and 'Page information'. The main content area has a 'Main Page' heading and a 'Contents [hide]' section with a list of frequently asked questions under the heading 'SMART4ALL Frequently Asked Questions'. The list includes: 1. SMART4ALL Frequently Asked Questions, 1.1 1. Knowledge Transfer Experiments (KTE), 1.2 2. Focus Technology Transfer Experiments (FTTE), and 1.3 3. Cross Domain Technology Transfer Experiments (CTTE). Below this is a section for 'SMART4ALL Frequently Asked Questions' with a sub-heading '1. Knowledge Transfer Experiments (KTE)' and a list of languages: English, Greek, German, Spanish, Albanian, North Macedonian, and Serbian - Croatian - Montenegro. A second sub-heading '2 Focus Technology Transfer Experiments (FTTE)' is also visible.

Helpdesk

[https:// helpdesk.smart4all-project.eu](https://helpdesk.smart4all-project.eu)

The screenshot shows the SMART4ALL Helpdesk interface. It includes a navigation bar with 'Support Center Home', 'Knowledgebase', 'Open a New Ticket', and 'Check Ticket Status'. A search bar is present with a 'Search' button. On the right, there are buttons for 'Open a New Ticket' and 'Check Ticket Status', along with a 'Sign In' link and a row of flags representing different languages. The main content area has a heading 'Welcome to SMART4ALL Helpdesk' and a paragraph explaining the support system. It states that every support request is assigned a unique ticket number and that users can track progress online. It emphasizes that 'Anyone with a valid e-mail address can create a ticket without the need of "signing in" to the SMART4ALL Helpdesk system.' It also notes that 'Signing in' offers better ticket progress monitoring and is only allowed for registered users. An 'IMPORTANT NOTICE' section follows, stating that for questions regarding Open Call requirements, users should use SMART4ALL Community Spaces and that the Helpdesk is intended only for Open Call technical questions. At the bottom, there is a footer with 'SMART4ALL Helpdesk Data Privacy Policy', 'Copyright © 2020 SMART4ALL Helpdesk - All rights reserved.', and 'Powered by JBART 8.11'.

Help Desk KTE   

SMART4ALL is a H2020 funded project (Grant Agreement No. 872614) that builds capacity amongst European stakeholders via the development of self-sustained, cross-border experiments that transfer knowledge and technology between academia and industry. It targets Customised Low-Energy Computing (CLEC) for CyberPhysical Systems (CPS) and the Internet of Things (IoT) and combines a set of unique characteristics that join together under a common vision different cultures, different policies, different geographical areas and different application domains.

The SMART4ALL consortium is led by the University of Peloponnese (Greece) and is composed of 25 partners from Central, South and Eastern Europe.

SMART4ALL will design and implement 3 types of cross-border Pathfinder Application Experiments (PAEs):

1) Knowledge Transfer Experiments (KTE), which comprises of novel types of internship experiments allowing smaller projects, or less mature ideas to be presented, tested and thus potentially find the fertile ground to grow and reveal its product potentials;

The KTEs are a short-term (3 months) internship projects between two different entities from two different Countries : one Academic/Industrial partner who act as Sending Organization and one Academic/Industrial partner who act as Host Organization. ([see more details here](#))

Apply to our First Knowledge Transfer Experiments Open Call:

Starts on	April 15th, 2020 at 00:00 CEST
Ends on	July 15th, 2020 at 13:00 CEST
